## EDUCATION

### Electrical Engineering

Sukkur IBA University

02/2018-04/2022

CGPA 3.36/4

Final Year Project

- Small Wind Power Generation Unit for Domestic Consumers (<https://www.youtube.com/watch?v=Vs5Qlqhn2dg>)

### Intermediate

Govt Superior Science College Peshawar

09/2015-05/2017

Course

- Pre-Engineering

## SKILLS

Node JS React JS C++

Mongodb Java Script CSS

HTML JQuery

Boot Strap Arduino Coding

Web development Matlab Coding

MERN Developer

## VOLUNTEER EXPERIENCE

### Executive Member

Sports Society

04/2020-04/2022

Pakistan

- lead role and senior executive member of sports society, to manage all the internal and external sports event in university. Manage all the areas of society, selection, management, teaming, and assigning task to the members
